Dear Ms. Hiatt:

This letter is in response to your February 28, 2007 letter requesting an extension for the submittal of the Final Corrective Measures Proposal (CMP) for the General Motors (GM) Powertrain Bedford Facility.

Based on the site specific circumstances as explained in your letter, we grant a one year extension to December 31, 2008 with the understanding that GM will submit the CMP before this date, if possible.

If you have any questions regarding this matter, please contact me at (312) 886-7890.

Sincerely,
